*** External Email - Exercise Caution ***

Dear Kalan,

I live on Murray Lane and, along with all of the neighbors on the street, oppose the demolition of 1517 Murray Lane. I think the house contributes strongly to the historic district and is important in its own right, given its association with Morley and its architecture. I'm wondering what the staff recommendation will be regarding historic status for the property and whether the staff supports the requested demolition.

Best,

Jordan
